

# Digraph Wheels

CH / QU / SH / TH / WR

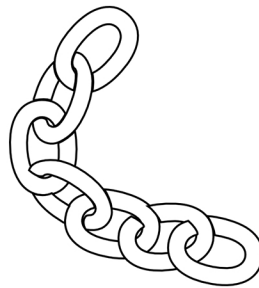

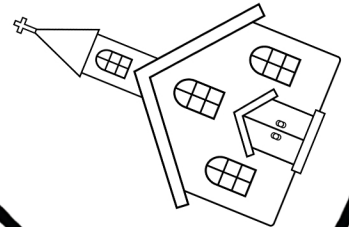

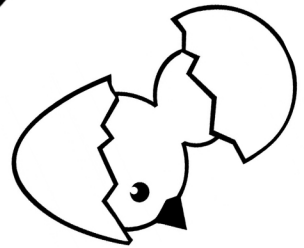

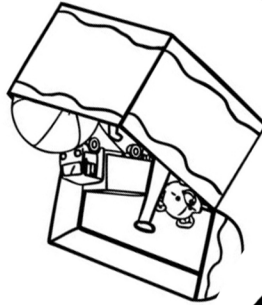

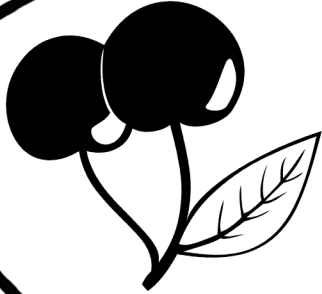

Use the Digraph Wheels to match the words with their pictures. Attach a spinner to either the picture or the word wheel(s) or to both. Spin the spinner and find the matching picture or word card.

Hint: Spin the spinner on the word wheel and find the matching picture. *Or*, spin the spinner on the *picture wheel* and find the matching word.

Alternatively: cut up the word wheels (or make your own word cards if you don't want to cut up the wheels) and use to play.
